

# VAN LADDER®

## ACCESSORIES - 2017

### OVERNIGHT CHARGER

Marine Grade charger to keep all batteries in optimum condition after prolonged periods without vehicle run time. Installed with weather proof receptacle so vehicle stays secure during charging

### BUCKET FORKS

Handle signs and sheet material with the adjustable bucket forks. The Van Ladder quickly converts to a mini material handler with this optional accessory.

### BUCKET WORK TRAY

Heavy duty aluminum construction for attaching to rear of bucket. 3" deep x 6" wide x 26" long. Perfect for tools and supplies.

### BUCKET TOOL BOX

Heavy duty aluminum construction with integrated top tray. Lockable clasp to secure contents. Inside dimensions: 6 1/2" deep x 8" wide x 14" long.

### 110V BUCKET OUTLET

Power up those corded tools in the bucket with the integrated 110V circuit and conveniently located outlet. Ground level cord end provided to connection to the power source of your choice. Vehicle mounted power sources (generators/ inverters) are available upon request.

### STROBE LIGHTS (SET OF 2)

Class 1 Amber LED strobes, by Federal Signal, increase visibility at all times of the day. Strobes have adjustable flash patterns and are permanently installed at the rear of the boom turntable. Strobes automatically activate when the Van Ladder is in use.

# A Better Way to Work

**RACEWAY INSTALLATION FORKS**  
Make putting up raceway signs a one man job. The adjustable forks allow operators to square up the sign to the mounting surface.

**FLUORESCENT BULB HOLDER**  
Place a box of fluorescent bulbs conveniently on the ladder boom within easy reach of the bucket. Locate the holder on any of the ladder rungs to adjust for a variety of bulb sizes.

**BANNER SPINDLE**  
Make a one-man job of rolling out and hanging wall patterns or banners. The material rolls off the spindle as the Van Ladder moves along the mounting surface. The spindle is designed to be quickly attached to the front of the bucket.

**LIFTING EYE**  
Add an attachment point rated for 300 lbs of overhead vertical lifting to the bottom of the bucket.

**FULL BODY HARNESS & LANYARD**  
Comfortable, heavy-duty, top quality. OSHA required.

**WHEEL CHOCKS (SET OF 2)**  
Heavy Duty molded rubber chocks to hold up to all conditions. Molded in eyelets to attached cable or chain as desired.

**LED FIXTURE HOLDER**  
Add an attachment to carry those bulky fixtures. Customize the size to your specifications.

**CARGO NETTING**  
Designed for the Workport vehicle to secure bulbs or other materials quickly and conveniently.
